

BARNSTORMER WINERY

Finger Lakes, NY

- Our Aviator's Wine Club (AWC) Members will receive a four-pack of hand selected Barnstormer wines four times a year, at \$90-\$95 + tax per pick-up or shipment. Shipping is an extra charge. We often select limited production, pre-release, reserve, and wine club only wines in these four-packs! We cap the total AWC membership to 250.
- Pick-up & shipment releases will be charged on the first Thursday of December, March, June, & September. Shipments will go out the following day, Friday, if the weather permits. You may come and pick up your wines during open hours at Barnstormer. We will also gladly cellar your four-packs for up to a year after the release date for those who are not in the area often!
- We host four pick-up parties a year (ship members are welcome to join, of course). They will be held on the first Saturday of the release months of December, March, June, & September from 11am-4pm. Complimentary tastings along with locally sourced farmed & foraged culinary small bite pairings will be provided for you and one additional guest, per membership.
- Aviator's Wine Club Members will receive an additional 5% off all non-reserve wine purchases both online and in our tasting room, along with complimentary wine tastings for you and a guest, four times a year.
- We recommend using a business address, or a reliable home address, for your four-pack shipments to ensure that someone over the age of 21 is available to sign for the wine delivery. AWC Members must be over the age of 21 to join.
- AWC Members may update their account information at any time, including their preference between being a ship member or a pick-up member.
- You may sign up or cancel at any time, free of charge. There is no commitment!
